"LE BLEUET"

Le Bleuet award is obtained by working five (5) amateur radio stations in Saguenay-Lac-St-Jean. To know if you are in the right part of Quebec, ask the operator if he is a Blueberry. That is the name we call people living in that area. Any band or any-mode are accepted. Send application with log informations on the stations worked to VE2AUF plus $2.00 US for postage and handling. No check, IRC or stamps please.
